## **Strategic Interventions**

### **Greater Focus on Preventive Health Care & Attainment of MDGs**

Punjab has a unique situation of a double burden of disease. Yet, the preventable diseases still take heavy toll and diseases which are believed to have been rolled back re-emerge. The following interventions are going to contribute towards this end:

- Punjab Millennium Development Goals Programme (PMDGP)
- Safe Blood Transfusion Service Programme
- TB Control Programme
- Expanded Programme for Immunization
- Prevention & Control of Hepatitis Programme
- HIV/AIDS Control Programme
- Punjab Thalassemia Prevention Programme
- National Maternal and Newborn Child Health Programme (*Federal*)

### **Focus on Rural Health Centres (RHCs) and Renewed Focus on Secondary Health Care**

- Policy is to consolidate the existing health facilities instead of creating new infrastructure. No new Basic Health Unit (BHU) will be established. Focus would be on strengthening Primary Health Care facilities (RHCs) based on yardsticks.
- The emphasis is on upgradation of THQ & DHQ Hospitals as well as establishment of new ones.
- New DHQ Hospitals at Narowal and Bahawalpur are under construction while upgradation of 9 other DHQ Hospitals is going on.
- 11 new THQ Hospitals are under construction.
- Provision/Rehabilitation of Equipment in Secondary Care Hospitals.

### **Need Based & Result Oriented Allocation for Tertiary Health Care**

- Being autonomous, the tertiary health care level is witnessing a great deal of dynamism and several innovations which need substantial funding and support. Although the tertiary health care allocations remain high but they have been made more need-based and targeted.
- The high level of allocation for Tertiary Health Care is also because of the intended establishment of Centres of Excellence which obviously are cost-intensive.
- Schemes of all teaching hospitals involving latest diagnostic and treatment facilities are reflected in ADP 2011-12.

### **Improved Diagnostic Facilities**

The area of diagnostics needs to be strengthened appreciably to keep pace with the ever-changing demands of time and to make health and medical analyses more scientific. There are few schemes in this ADP which would help in refurbishing the diagnostic facilities and also help in ascertaining the quality and purity of food and beverage. The significant ones are given below:

- Establishment of Drug Testing Labs at Faisalabad and Rawalpindi
- Upgradation of Drug Testing Lab at Multan
- Establishment of Food Testing Labs at Rawalpindi and Faisalabad
- Establishment of PCR based Diagnostic Laboratory, Lahore

### **New Strategic Thrust**

- Mobile Health Units have been introduced to make up for the deficiencies of static coverage and effective service delivery at remote areas. The Mobile Health Unit contains collapsible & non-collapsible diagnostic and invasive & non-invasive electro-medical equipment. It also contains health education material to disseminate the information strategically.
- 6 Mobile Health Units are already in operation in Muzaffargarh, Rajanpur, Mianwali, D.G. Khan, Bahawalpur and Bahawalnagar since January, 2011.
- Additional 50 Mobile Health Units (MHUs) are to be procured. 20 MHUs will be launched during 2011-12.

### **Establishment of Centers of Excellence**

Centers of Excellence augment specialized service delivery at the high-end level and may become avenues of revenue generation in times to come as well. The approved Health Policy Framework has also recognized their significance. The establishment of these Centers is now believed to be appropriate and result-oriented. The Centers are enlisted as under:

- Rawalpindi Institute of Cardiology (near completion)
- Institute of Urology & Transplantation, Rawalpindi
- Institute of Organ Transplant, Lahore
- Kidney Centers at Multan and Bahawalpur
- Expansion of Multan Institute of Cardiology
- Expansion of Children Hospital, Multan (addition of 150 beds)
- Fatima Jinnah Institute of Dental Sciences, Lahore
- Burn Units at Lahore, Faisalabad, Multan & R.Y. Khan

### **Enhanced Focus on Medical Education**

- The inequity in Doctor to Population Ratio has impeded efficient service delivery as well. The current Doctor-Population Ratio stands at 1:2187 instead of the WHO recommended 1:1000. With a view to rectifying this mismatch, new medical colleges are being established.
- Medical College, Gujrat is in operation since 2009.
- Establishment of four new Medical Colleges at Gujranwala, Sialkot, Sahiwal and D.G. Khan (Classes of 1<sup>st</sup> year MBBS have already commenced).
- School of Nursing at Rawalpindi is being upgraded to degree level.
- Capacity Development and Training of Nurses & Paramedics

### **Devolved Projects**

- Federal Government has transferred the following ongoing projects to the Punjab:
  - Construction of two Trauma Centers at Bhera Service Area, Lahore Motorway (Rs. 89.018 M).

- 400 Beds Women & Chest Diseases Hospital, Rawalpindi (Rs. 1,325.044 M)
- Allocation of Rs. 95 million for the above projects has been made in ADP 2011-12. Rs. 158 million are further required to complete these projects.
